Why Christianity?
Reaching the Millennial Generation
with the Gospel

In an age of pluralism and unbelief, young people are increasingly questioning the validity of Christianity. Perhaps you are among those who wonder why Christianity should be believed rather than other systems of belief or unbelief. Or, if you are a Christian, you might wonder how to speak with those who question your faith. In this brief series of addresses, in simple terms Pastor Domm will show how the Christian worldview makes the most sense of the world in which we live. He will demonstrate the superiority of Christianity to other belief systems, and the uniqueness and credibility of the Savior we preach.

Jim has served as a pastor at Englewood Baptist Church in Englewood, NJ for 19 years. A graduate of Trinity Ministerial Academy in Montville, NJ, he also earned the M. Div. Degree from Reformed Baptist Seminary in Taylors, South Carolina. He and his wife, Brenda, have been married for 34 years. They have one grown daughter and two granddaughters.

“Why Christianity?”

Columbus Day Weekend

Our topic will be presented to the Retreat guests in five sessions, two of which will take place at Albany Baptist Church on Sunday the 13th.

Our schedule allows time for morning devotions each day as well as meals and activities. A complete schedule will be sent to each participant and will also be available at time of check-in.

Accommodations will be at Camp Pinnacle. The price of the retreat is \$145.00 which includes 3 nights accommodations at the camp, all meals and most activities (please see the complete activities list on the back of this page).

Chaperones will be present during each activity, sermon and meal time. Chaperones will also join the group each evening at lodging facilities. If you or someone you know would like to be a Chaperone, please contact John Capuano at:
